Why Restaurants Are Losing Profit?

- ✓ 20%–30% commission on every order
- ✓ No control over customer data
- ✓ Customers belong to Zomato/Swiggy, not you
- ✓ Low profit despite high sales

➡ "Sales badh raha hai, profit nahi"

How Much Are You **Losing?**

Daily Orders: 20

Avg Order: ₹500

Total Sales: ₹10,000

Commission (25%) = ₹2,500/day

Monthly Loss = ₹75,000

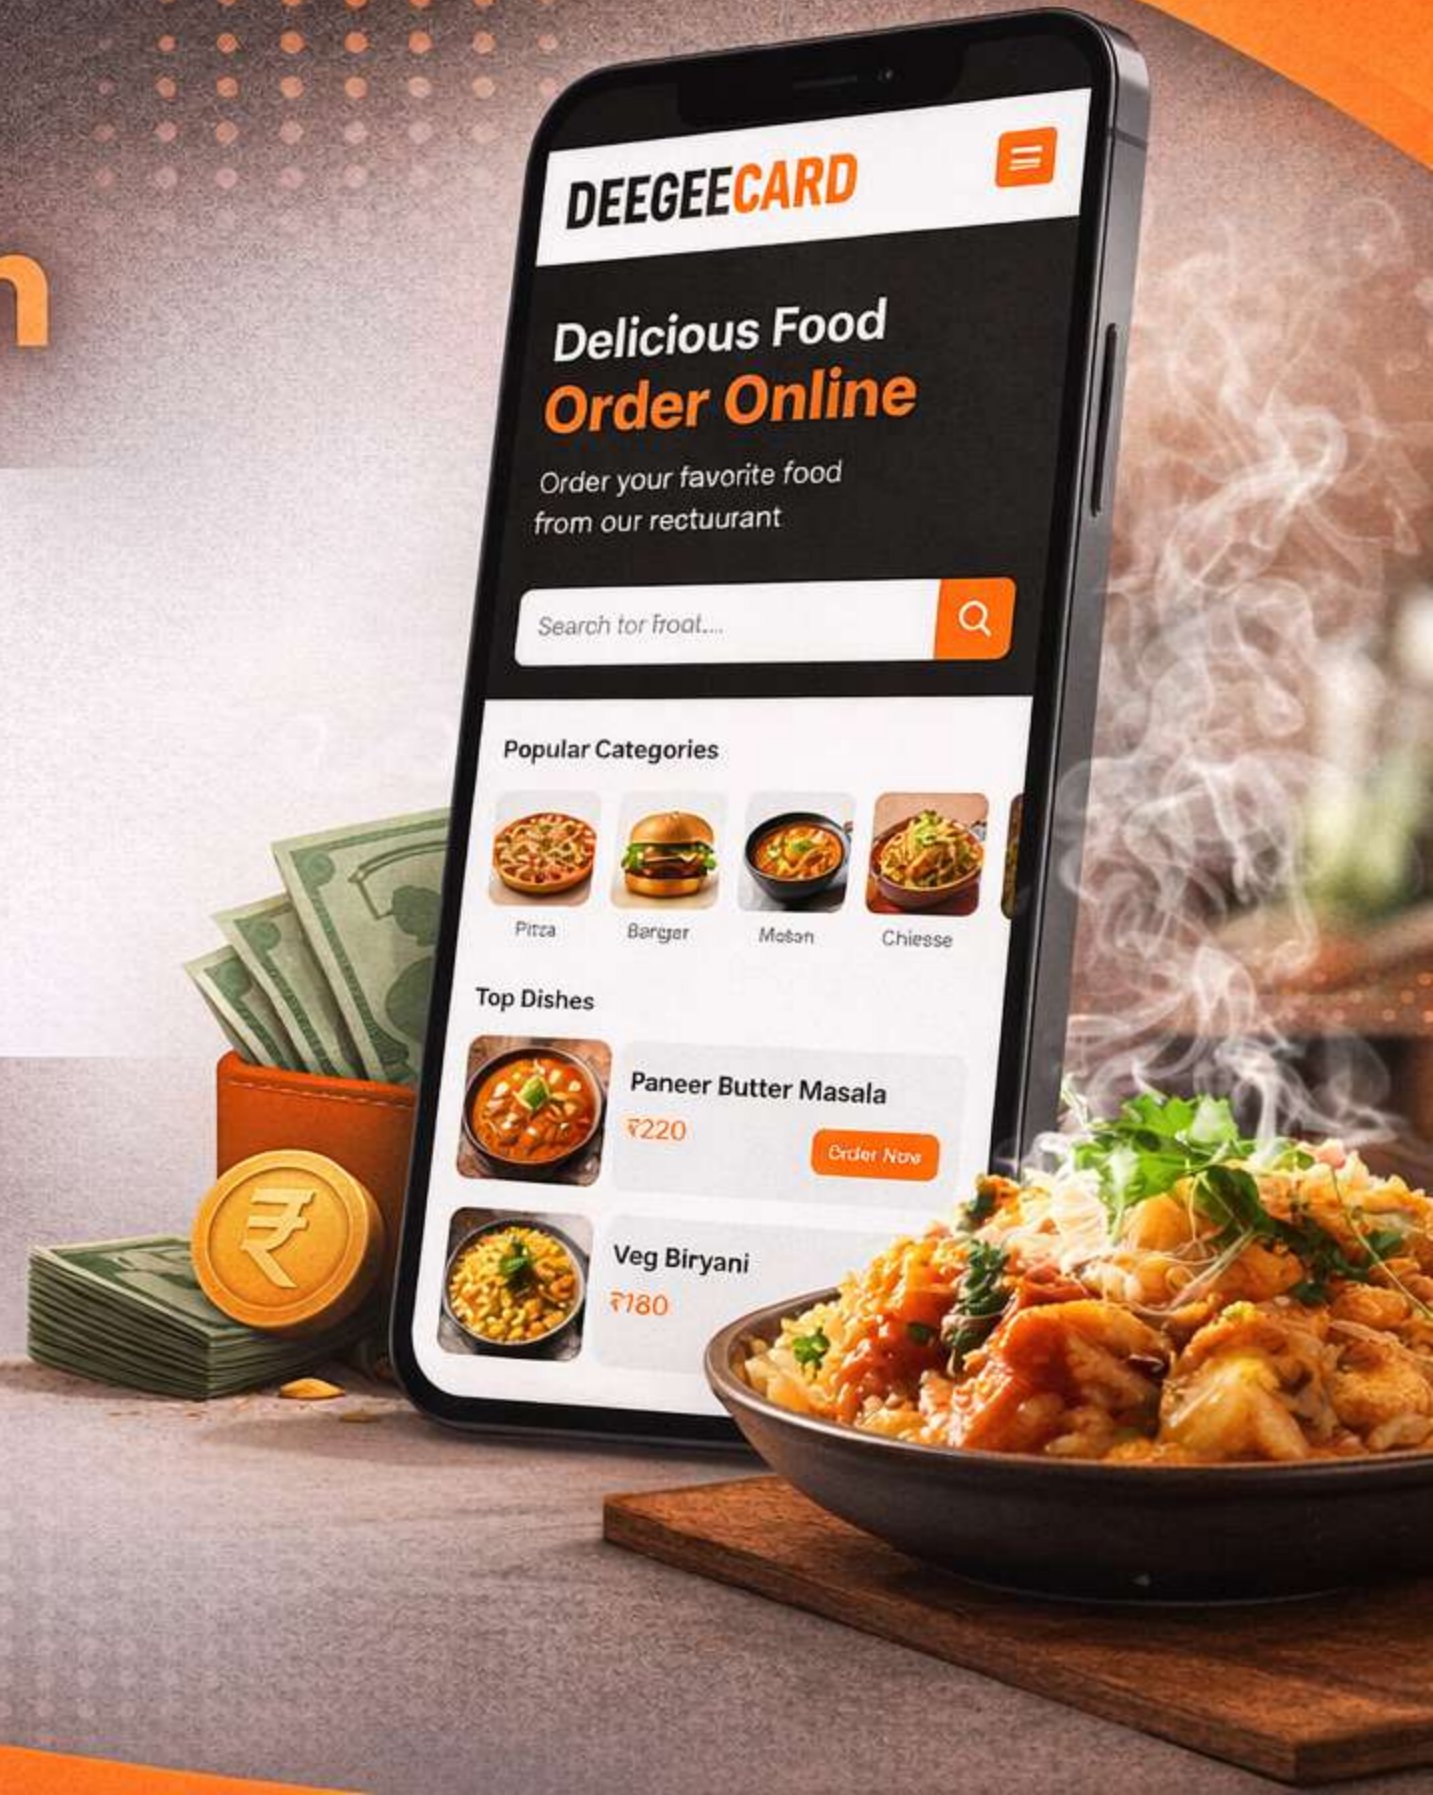

Ye paisa aapka ho sakta hai
